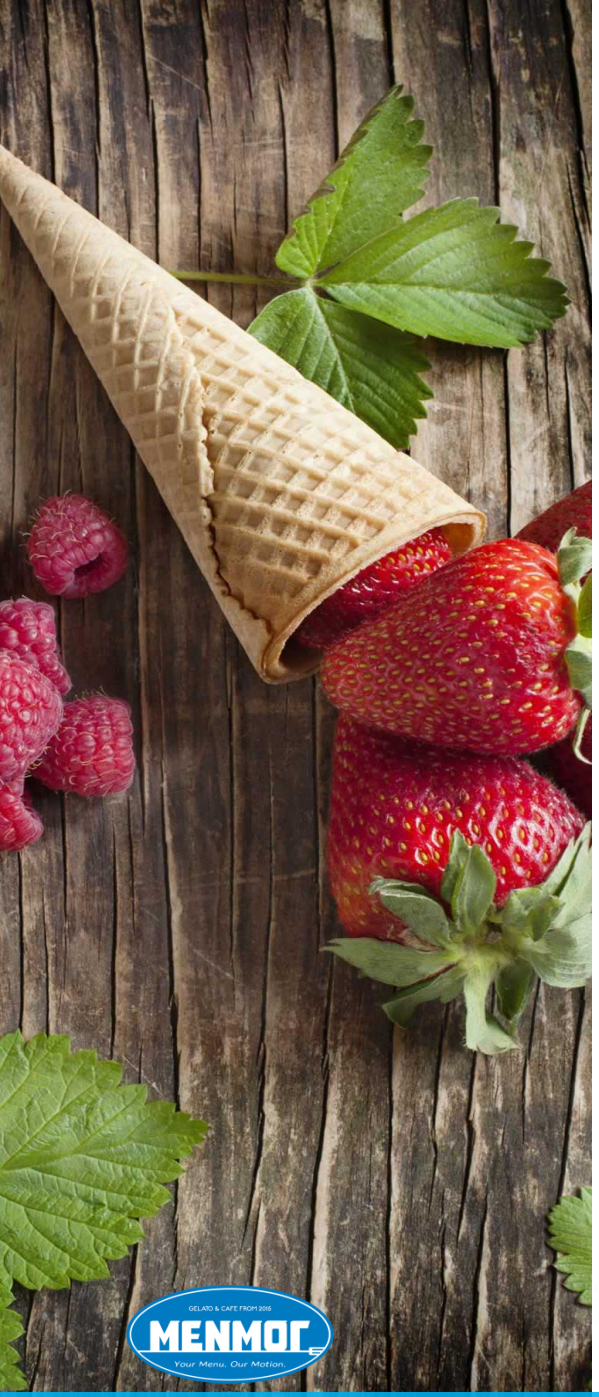
HISTORY

- Founded in 2015 with food importing company and a channel to introduce and sell the products for restaurants related coffee, ice cream machines and ice cream powders in Vietnam.
- Over the years, we have always focused on developing and selling ice cream powders, ice cream machines and blenders, coffee machines that have come from Italy, USA, China, Thailand.
- Each product we supply or distribute with the best value.
- With slogan “Simple is Quality”
- Our channel named “Vuakem” in Vietnam, means King of Ice cream (ice cream powders and ice cream machines). Everything we do, always for ice cream.

We have got a lot of brands like VUAKEM …

www.vuakem.com – www.botlamkem.com – www.daylamkem.com



PASSION

- Sending passion deeply into the products related to soft ice cream, gelato, smoothie, slush, espresso, cappuccino … so that we want to create the best ice cream cups for all customers and we have looked to the best manufacturers to provide the most valuable products in Vietnam and other countries.
- Overcoming many difficulties, failures, success, we are still keep our passion today. Everything we do in order to make your success with us.
- Always look and widen the potential partners over the world for long co-operation.

www.vuakem.com – www.botlamkem.com – www.daylamkem.com

QUALITY

- We only focus on supplying high-quality products and co-operate with potential partners in the world.
- We always act a sale representative for famous brands as Rubicone (Italy), Cofrimell (Italy), Fama (Italy), Innova (Italy), Taycool (China), Tecmach (China)…
- Rubicone: produce ice cream powders, pastes, toppings with ISI 9001 certification, offers a wide range ingredients with Hatal certification and Kosher certification.
- Fama : produce bar and beverage equipment
- Taycool : produce soft ice cream machines.
- Tecmach : produce Italian gelato machines.
- Cofrimell : dispenser and slush machine in Italy.
- Innova : make gelato machines in “hand made” 100% made in Italy
